

Seminars 2025 – Spring

Molecular Cell Biology

Project seminars – Mondays at 09:30

NOTE: Maximum 20 minutes total per person (15 minutes talk 5 minutes questions). Presenters are encouraged to present preliminary results rather than polished complete stories. Remember to include sufficient introduction with aims and a last slide with future plans. Speakers act as moderators for next week's seminars, and moderators should ensure that speakers comply with the time limits.
